The **IKO** Advantage

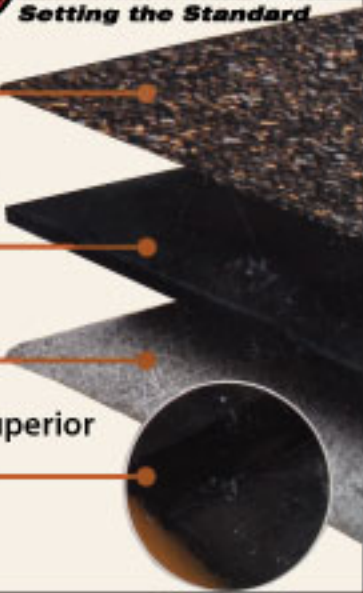

Setting the Standard

Better UV protection with granules that adhere longer.

Thicker weathering-grade asphalt means more weight and improved granule embedment.

Heavier, tougher fiberglass mat keeps the shingle strong.

Tough sealant provides superior resistance to high winds.

The IKO Story

- Largest Roofing Manufacturer in the world.
- Family Owned & Operated Since 1951
People who care about people.
- Vertically Integrated
IKO controls more aspects of production than the others.
- 15 Year Iron Clad Warranty
Weigh the advantage.

The Heavy Weight Champ!
